**History**

<b>Month</b>	<b>Unit/ Content</b>	<b>Expected Learning outcome</b>	<b>Activity</b>	<b>Assignment</b>
April	L-1How, When and Where	The use of dates in history is a must because when we read about a particular phase or period in the form of a story, the dates provide a framework to present the story in sequence. The main objective of dates is that they will help to create a sensible story under proper timeline of events and incidents.	Imagine that you are a historian wanting to find out about how agriculture changed in a remote tribal area after independence. List the different ways in which you would find information on this.	Look carefully at Fig.1 and write a paragraph explaining how this image projects an imperial perception. (textbook)
	L-2 From Trade to Territory	The third battle of Panipat shattered the dream of Marathas to rule India from Delhi. It also led to the division of Maratha confederacy. Four chiefs ruled	Imagine that you are a young Company official who has been in India for a few months. Write a letter home to your mother telling her about your luxurious life and	Textbook Page no.-20 Fig. 11 a, b, c – Expansion of British territorial power in India Look at these maps along with a present day political map of India. In each of these maps, try

		from four centres under a Peshwa based in Pune. Battle of Plessey was the first major victory of the company in India.	contrasting it with your earlier life in Britain.	and identify the different parts of India that were not under British rule.
